Don't

This will

Usagi will

able to
talk too.

By the

This is the end of the world, meaning the end of the world.

Usagi

This is a black and white manga cover. The background features a large, detailed illustration of a man with long, dark hair and a serious expression, looking slightly to the left. In the lower-left corner, there is a smaller, more expressive illustration of a young boy with short, dark hair, looking up with a wide-eyed, open-mouthed expression. In the lower-right corner, another smaller illustration shows a young boy with short hair, looking down with a concerned or surprised expression. The title '月影しっぽ' is written in a stylized, bold font in the upper right. Below it, a small box contains the text '第 13 巻' (Volume 13). Further down, the text 'Tsukikage Shippo' and 'Chapter 13' are written in a simple, sans-serif font.

That...
That is

I've learned western
medicine from

Pedro, a European

I guess

from Sps to

Pedro... you're

Who's

Yakimaru,
come with
me!!

My wife's
condition
has taken
a sudden
turn!!

She's been bedridden from a heart illness for three months.

Where does it hurt?

It seems to be one of her usual attacks. In the old suburbs shortly.

and she hasn't eaten in several days...

Her fever hasn't gone down since yesterday.

!

Even if she won't take meals, as long as she takes the nutritional medicine, there should be no need to worry.

It's because she is coddled by things other than her heart...

These are all medicines I've prepared.

ALL of these medicines are here?

Hey—

What are you doing?

Hee—

WHAT?

If she
stopped taking

I think
it would
be best...

all these
medicines.

What
do you
mean?

they will
work against
each other
and hurt
her body.

If she
takes this
many
medicines
at the same
time...

Are you
saying the
medicines I
made are
bad for the
body?

No, I'm
not

If you
continue to
take a medicine
for a long time,
the body becomes
used to it and
it becomes
ineffective

It's
better to
get one's
nutrition from
food.

The purpose
of medicine is
just to assist the
body's own natural
healing powers, and
therefore, a small
amount should
be enough.

I
will try
doing as
Usagi
says.

Hanzo-
sama?

These
medicines
might be
becoming
ineffective
for her...

As
Usagi
says.

Yuki-
chan!

I'm
saying
this to
save
her!

I will
definitely
not permit
that!

I will

condition and
prepare some
appropriate
medicines

Mustached
Hanzo-sama,

medicines and

her meals.
